ABOUT MYP

The International Baccalaureate (IB) Middle Years Programme (MYP) comprises eight subject groupes:

- Language acquisition (English, German, French, Spanish)
- Language and literature (Polish)
- Individuals and societies (History, Geography)
- Sciences (Biology, Chemistry and Physics)
- Mathematics
- Arts (Drama)
- Physical and health education
- Design (Computer science)

The programme promotes interdisciplinary study that helps students make important connections between academic information about Middle Years Programme

Why should you choose our school?

Liceum Ogólnokształcące Dwujęzyczne in Gliwice is a modern, student-friendly, safe and open school, offering all round intellectual, cultural and personal development.

The mission of the school is to educate inquisitive, open-minded and critically thinking young people who can create a new, better world.

Come to our school for our MYP class:

- if you are an ambitious person
- if you want to understand the world
- if you care about self development, development of others and the environment
- if you respect people and want to help them
- if world peace is important to you

Our school is a place for creative, open-minded and principled people.
